This is a very busy weekend in the area. Keeneland Race-track opens this weekend and several other activities have the area hotels in high demand. Please call ASAP. There are different rates at the above hotels.

Airline Connections

Several major airlines service Lexington Bluegrass Field Airport in Lexington. Cincinnati is approximately 1 1/2 hours away.

Sale Location

4561 Iron Works Pike, Lexington859-255-7701
Exit 120 off I-75 (Located 2 miles from I-64)
Special thanks to Jim Akers, General Manager & CEO of Blue Grass Stockyards for hosting this sale.

Health

All cattle of test age will be tested for Brucellosis and TB within 30 days of the sale or come from free state status. All females will be pregnancy checked and called accordingly. Cattle will have the proper approved Federal ID tags, bangs tags or EID buttons. Cattle will have proper Interstate Health Certificates furnished.

Terms & Conditions

Please make settlement upon conclusion of the sale. Checks should be made to **Outfront Cattle Custodial**. This sale is conducted under standard sale conditions. A copy is available at the settlement desk.

Trucking

Trucking will be available for both local and continental United States. A special trucking arrangement has been made by the sale manager for delivery in the United States at a maximum fee of \$350 per lot. Trucking must be made with the sale manager for this rate to apply. Local trucking also available.

Insurance

Insurance will be available at the settlement desk.

Consignors

All guest consignors are listed on the inside back cover.

Other Activities

There are several things to do in the Blue Grass country of Lexington. The Kentucky Horse Park is a magnificent attraction near the sale barn. You can also arrange tours of local horse farms and distilleries in the area. Keeneland Race Course starts their Fall Racing this same weekend. If you would like more information, please contact Candy before the sale.

 WWW.SULLIVANCHAROLAIS.COM

Welcome to the second annual Spirit of the Bluegrass Sale. First, I would like to take just a minute to tell you a little about last year's sale. I reached deep into my herd, and the guest consignors who brought cattle to Lexington did not hold back either! We had so many great cattle, and the buyers were very receptive. We sold 53 live lots for an average of \$3,636! For a first-time sale, that was beyond our expectations, and we actually ranked as the 7th highest averaging female sale in the country in 2017! The Charolais breed was shining bright!

Just like last year, we are here to offer some fantastic Charolais genetics. I have brought another very attractive Curlin cow, safe to the impeccable Cigar! I have included several bred heifers, first calf heifers, and some powerful cows right in the prime of their production. The guest consignors have blown me away with their offerings! This catalog is deep!!

I want to thank everyone who made last year such a success, as well as the people that have worked so hard to bring you this event on October 6th in Lexington! I want to thank Dennis Adams, my sale manager, for his hard work getting this set of cattle together. I want to thank the folks at Bluegrass Stockyards for the tremendous job they do also. Special thanks to my mother, Mary Jo, who somehow keeps everything together for me, and my father Lee, who gave me this love of white cows, and my first cow!

Another individual who deserves much thanks is my herdsman, William Perkins. William came to work for us in January, and has brought so many improvements to the program. He really is my "right hand"! We appreciate him and his family so much.

If there is anything that I can do to answer any questions, or provide you any information, don't hesitate to contact me. We're looking forward to a wonderful weekend for everyone. Lots of great cattle, good friendship, and promoting the Great White Breed!

Sincerely,

Candy Sullivan

William Perkins

This sale will be broadcast live on the internet.

DVAuction
 Broadcasting Real-Time Auctions

Real time bidding & proxy bidding available.

Because of a special arrangement with the Blue Grass Stockyards, you will be able to bid online with DVAuction. Even if you have an account with DVAuction, you will need to call into Blue Grass Stockyards to get approval to bid. Please contact them several days prior to the sale. They will not be able to approve you day of sale!

"Real world cattle that will work for the best of the beef industry"

Dennis Adams

 email: outerontcattle@gmail.com www.outerontcattle.com

Welcome to a very exciting Second Annual Spirit of the Bluegrass sale! I don't think you can find a sale with more intriguing consignments of this stature anywhere in the registered beef business! After a great success last year, the sale this year exploded with good cattle. In almost every sale now, the quality cattle are in high demand and will bring quality prices! Average cattle are bringing average prices. Breeders have discovered that with the extra management practices of AI and Embryo transplant, any breeder can have the best genetics in the breed at reasonable prices. Our breed has exploded in quality due to those practices. It doesn't matter if you own one cow or thousands, you can compete. It doesn't rule out using natural services, but that individual needs to have a stacked pedigree of successful performance of his lineage. The cattle consigned in this sale are from reputation breeders from all over the United States, and they have brought you cattle they are trying to top the sale with.

You will benefit greatly with all the superb selections available. As you read through the catalog you will find the "Who's Who" in the breed listed. The old saying of "you can feed a good one as cheap as poor one" certainly makes sense with this offering. I would add you can feed a good one cheaper! When you cull the bottom of the herd and replace with something special that will spark interest from other breeders, it will impact your profit goals immediately when you go to sell. There will be some great buys with this many outstanding consignments. Please take advantage of this opportunity.

Hats off to Candy Sullivan for initiating this sale. Her love of Charolais cattle is very evident in her offering and dedication to the breed. She has one of the more concrete foundation of knowledge in cattle production, from breeding cattle, to order buying, to working with feedlots and livestock commodities. These total experiences have helped her set goals for real world cattle that will work the best for the beef industry. You can quickly see the results in the top cattle she brings to the sale. To promote the breed, she shares unselfishly with all other breeders the desire to have this Kentucky sale show-case the Charolais breed!

Our thanks to all the consignors for their top consignments. If I can be of any assistance, please call. Look forward to seeing you in Lexington for a fantastic weekend! It's going to be fun! You will want to be here.

Sincerely,

Dennis Adams

JDJ MS CIGAR K1509
DAM OF JDJ CURLINS3012 & JDJ ROYAL TRADE N134

Bred AI on 6/7/18 to LHD Cigar, M434790; checked safe. It will amaze some breeders that Candy has come back with another very powerful Curlin daughter! This represents the depth of her program. This power is the basis for her whole program. Over the years she has carefully selected the very best females to use in her herd and mated them to the proven, top bulls to develop a solid program. This takes the guess work out and insures her customers get a quality product that they can be assured will work in their program. This big, powerful cow has tremendous milking ability, perfect in skeletal correctness, smooth, long-necked, feminine design, and big footed. A great natured cow that is bred to one of most time-tested sires in the breed. Her 1/7/18 bull calf had a 72 lbs. birth weight, weaned at 717 lbs.. and sold to a breeder at weaning! Cigar has continued to top sale after sale, long after many of the newest "elite sires" quickly fade away. His daughters are found in many of today's leading genetic matrons of the breed. Possibly the greatest show sire in the history of the breed, TR Mr Fire Water 5792R ET is out of a top Cigar Cow, Zsa Zsa! Even greater is that JDJ Curlin S3012 is out of a super Cigar cow at DeBruycker's, K1509, that is also the dam of JDJ Royal Trade N134, and several more herd sires. Cigar is one of the few that has so successfully been line-bred for even greater progress. She also traces to the D1253 donor cow of Jack O'Rear, AI. Her daughter, N1681, is a full sib to the high selling bull at the 2010 DeBruycker bull sale going to Wayne Nish, Canada. YD5's dam is currently working for Darrel Newton in Benton, KY. Her EPDs are pretty impressive straight across, especially for carcass! Doesn't it make sense to develop your program with the addition of such a super Charolais beef cow with the solid foundation of her pedigree?

Sullivan Charolais

Develop your herd around a cow with a solid foundation in her pedigree!

AI 3/26/18 to JDJ Smokester J1377 P ET; checked safe. This beautiful, young cow is in her prime! She ranks in the top 15% for WW, YW, Marb. and TSI for breed EPDs. A front-pasture cow, this cow has the proven pedigree of the Nancy cow family, blended with 9108, a real brood cow maker to solidify her genetic makeup. Smokester have become some of the most sought after brood cows in the breed, and the Nancy combination should enhance her value!

AI 6/5/18 to JDJ Curlin S3012. Very special daughter of the main Donor cow at Sullivan's, 13Y, a President daughter that traces to Mac 809 and Agatha 9581, one of the greatest in the breed. Candy loves the Equity daughters, they milk with great udder quality, calve easy and have abundant style and clean lines. The Curlin mating enhances the value tremendously in this top prospect. Shown at a younger age, but had a 728 lbs weaning weight.

AI 7/2/18 to JDJ Maximo A18 P. Dam is a first-calf heifer that did a tremendous job milking and produced a 809 lbs. weaning weight on Z E3 for a 111% ratio. Z E3 shows tremendous muscling, carrying well down into the stifle and throughout. Good length, angular front-end from the very popular Zeus. Zeus is now deceased with little or no semen available. This may be a great opportunity to add the limited availability to your herd.

14A & B: Twin heifer calves born 9/2/18, unassisted, sired by RBM Fargo Y111. This first-calf heifer displays great maternal ability by taking and raising both calves. Her donor dam, 4241, owned by Hudspeth and Benton, has a fantastic fertility record. She usually flushes over 20 eggs. Her flushes have sold well due to this and she produced the first "Best Consignment" at President & Reality sale that commanded \$17,000 in the sale.

Due 10/24/18 to RBM Fargo Y111. Out of the great "nick-mating" of Duke 914 on a Cigar cow that has worked so successfully. She excels in CE and BW EPDs, rates good in growth, performance, MTL and TSI for the breed numbers. Combine her numbers with Fargo and you will have an exceptional EPD offspring! This young coming first-calf heifer offers superb profit potential and the strong homozygous polled influence of Maximo!

Due 11/26/18 to RBM Fargo Y111. A magnificent daughter of Dutton who is a great feature at Sullivan's. Here is your opportunity to invest in one of the most proven cow females in the whole program. N439 has had 9 calves registered with AICA. Rich in DeBruycker genetics, she traces to D310, a great marbling and milking sire, a son of Ali Ruler W31, a former AICA Trait Leader. Hard to find a stouter, thicker, more performance-oriented heifer than D439.

Bred AI 6/20/18 to DC/CRJ Tank 108 P, M905524, the high selling bull from the 2018 DeBruycker Bull sale going to Eaton Charolais, MT. This will be one of the first calves of Tank to be born, giving you a tremendous advantage to merchandise. Janine is from a very prolific dam, 27Z has had 5 calves, including one set of twins, calving 1/14; 5/15 and 5/15; 10/16; and 11/17. Janine ranks in the top 15% of the breed for Marbling EPDs.

Sells open. These Bluegrass daughters make fantastic brood cows. They have great udder qualities and very strong maternal ability. A very top pedigree with Cigar and Grid Maker blend on the bottom side. With a super light birth weight of 72 lbs., she exploded with a weaning weight of 780 for a 102% ratio. This top young female can go right into a fall program or early spring to rapidly advance your program.

Bred AI 6/8/18 to CCC WC Resource 417; checked safe. These top Grid Maker cows are easy to like – they milk, raise large calves and blend well with most any cross. She is backed up by powerful genetics on the bottom side with line-breeding from the \$50,000 JWK Verna E225 and Wyoming Wind and a top Cigar son from Three Trees, also out of Verna E225. Outstanding numbers enhance the value of this top cow to any herd.

Bred AI 6/12/18 to M6 Cool Rep 8101; checked safe. Cool Rep is one of the top performance sires in the industry and a maternal sib to SR/NC Field Rep 2158 P. A great calving record for 9039: 3/12, 4/13, 4/14, 4/15 and 6/16. This pedigree represents some of the very best in the breed with the 851 donor cow and 817 donor that worked so well for Stallings, M6 Ranch, Rick Evans and Southern Cattle Co. Her daughters are in herds all over the United States.

52A: Polled heifer calf (9464), born 5/15/18, 74 lbs., sired by FH Wind 311 P ET. Very stout made cow with excellent udder, good volume and thickness, but also has a high degree of femininity and angularity. The 5224 cow is a daughter of the \$20,000 Miss Duke 172 cow and produced a National Division winner for Riverdale. The Cigar blend with Hoo Doo cow was a masterful blend. Sharp heifer calf at side has show potential!

Sells open. This super fancy heifer will be coming to the sale already weaned. She is so special that the decision was to go ahead and make the extra effort to bring her, even with her very young age. Her dam, Clarice 2809, has proven her ability to produce the great ones. Daughters are making an impact in the Hudspeth, Benton, Shepherd, Fitch Bros., Myron Toste, CA., Keith Stocum, NC., Wild Indian Acres, MO., C&D Charolais, MT., Arlitt, TX, and Evans, TX. There is a reason everyone wants one! They are that good!

Sells open. A fantastic, feminine heifer with correct lines and structure. She is thick, smooth, well balanced and complete. A moderate frame heifer with excellent length, good footed from a very proven background. She descends from the Agatha lineage, same as the lot 6 heifer. Her dam, 22Y, is a maternal sib to Sullivan BARA Ms M09 President 13Y P. She ranks in the top 15% for Milk EPDs, 4% REA, and 1% FAT for the breed comparison EPDs.

Bred AI 6/7/18 to BHD Asset B178 P; checked safe. This is a full sister to M6 Ms E46 Duke 248 P, the renown donor cow of Southern Cattle Co and formerly Double-H Charolais. Their dam 009, has 54 calves registered with AICA and 9 of those are clones (same mating as 248). 248 has 165 calves registered with AICA. This unique opportunity enables everyone to have some of the greatest genetics the breed can offer!

M6 COOL REP 8108

Ms Windy 2816 is a full sib to Three Trees Wind 0383 P. 0383 is certainly one of the great bulls in the breed, siring many of the top Charolais in the breed including M6 Fresh Air 8165. He was known for calving ease, posting a top 4% CE breed EPD ranking and 15% BW EPD. 2816 traces back to the start of the foundation Nancy cow family, WCR Miss Duke 8742. 2816 was a larger frame cow with good size, but with the volume and capacity to blend into a powerhouse of a brood cow. She milked well and was an easy fleshing cow. Any of these great embryos mating will produce very desirable offspring that can perform and sell well.

Sells open. You can see why Duke 914 is still so popular today when you analyze this tremendous prospect. She has the size, length of body and dimension to accentuate her growth and performance. Her super dam is a great milking Ali Mark cow with good size and performance as well. She milks very well and has been excellent on performance. This is heifer to seriously consider for the impact she could have on a strong herd.

Sells open. Like all Maximo's, this heifer has that smooth, complete makeup structure with tremendous eye-appeal and style. Maximo's definitely have a real brood cow appearance and strong maternal characteristics. She has awesome numbers across the board. She descends from the CR Miss Duke 172, (\$20,000) donor cow that also produced Rick Evans' great donor cow, RE Ms Duke 34 ET. This heifer has a lot of future!

Sells open. Another very feminine heifer with good length, stature, and disposition. Her dam, 90, was sired by a full sib to JDJ Smokester J1377 owned by R. L. Hoilman, NC. Illusion bull calves are often the first to sell because they are thick, have great eye-appeal, and sound. Illusion was also the sire of BHD Reality T3136. She traces back to a good Duke 261 cow purchased in the Creighton dispersal sale.
